

Getting ready to go swimming at The Lasswade Centre

This is the way in.

I will check in at reception.

I will go along a corridor to the changing village.

I will go this way to the changing village.

I will change in a cubicle.

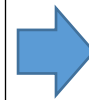

I will put my clothes and shoes in a locker.

I will go this way to get to the showers.

I will have a shower.

I will get in the pool.

There maybe be lanes set up in the pool for people to swim up and down or the pool maybe free to swim widths.

Today, I will not use the spa bath.

Today at the pool there will be:

No music

No announcements

Lifeguards who can help me.

A quiet room if I need to take a break.

When time is up I will leave the pool.

I will go this way and have a shower.

I will take my clothes and shoes out of the locker.

I will get dry and changed in a cubicle.

I will go this way to leave the changing village.
