

Midlothian Council Assurance Statement 2024

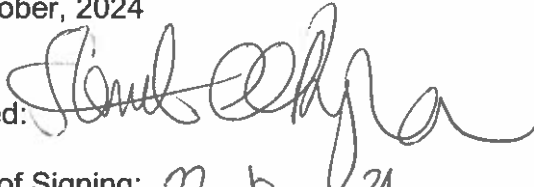

Midlothian Council confirms to its tenants and the Scottish Housing Regulator that it complies with its duties, obligations and responsibilities placed on landlords set out in Chapter 3 of the Regulatory Framework. This includes that we:

- Achieve all the standards and outcomes set out in the Scottish Social Housing Charter for tenants, people who are homeless and others who use our services;
- Comply with our legal obligations related to housing and homelessness, equality and human rights and tenants and resident safety.

I can confirm I have considered sufficient evidence, which to the best of my knowledge and belief, gives assurance of compliance with the Regulatory Framework.

We approved our Annual Assurance Statement at the Council meeting held on 8 October, 2024
